About
Allah

**Teachings for Toddlers
and Young Children**

Sara Khan

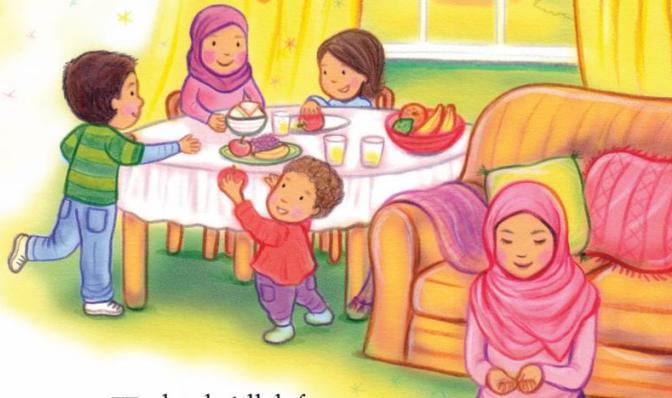

Illustrated by Ali Lodge

Muslims believe...

لَا إِلَهَ إِلَّا اللَّهُ

...There is only one God
and His name is Allah.

When we pray, we pray to Allah.

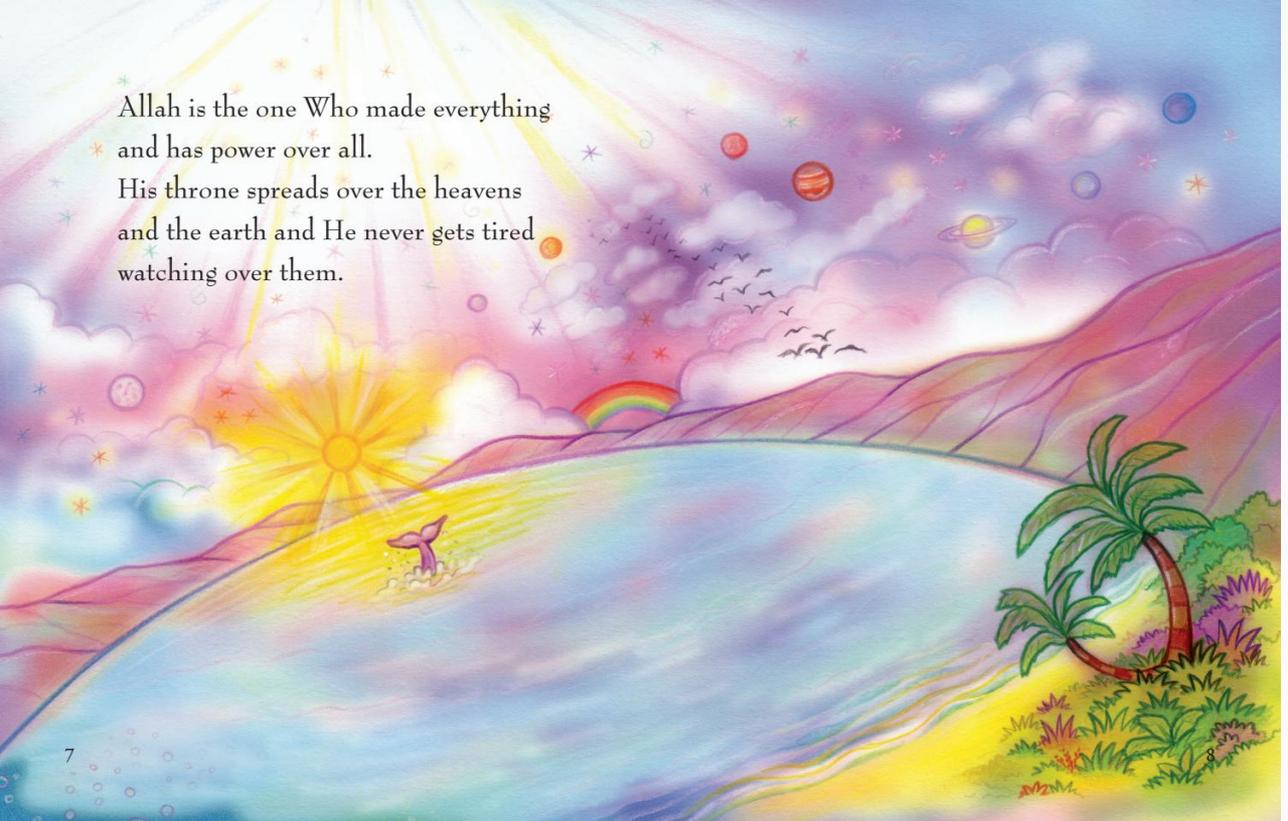

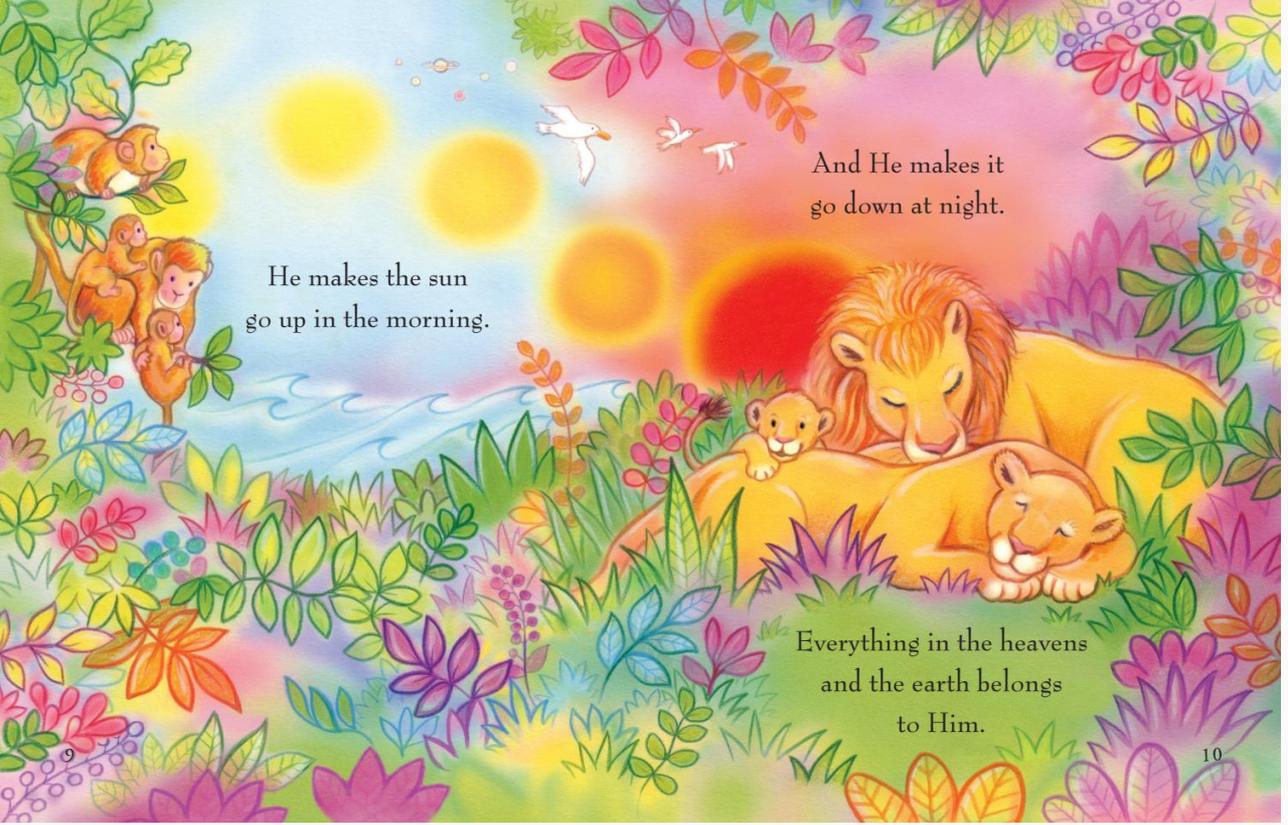

We thank Allah for everything we have and ask Him for help when we need it.

Allah is the one Who made everything
and has power over all.
His throne spreads over the heavens
and the earth and He never gets tired
watching over them.

He makes the sun
go up in the morning.

And He makes it
go down at night.

Everything in the heavens
and the earth belongs
to Him.

*“The perfect book to introduce children
to the One and Only God; Allah”*

This simple but beautiful book helps children understand who Allah is. It introduces some of His divine attributes: His Oneness, His infinite Power, Love and Mercy, and it ends with the promise He has made to those who believe in Him and make Him happy.

It is a book to be treasured by children, with large, colourful illustrations and carefully written text that children will understand and enjoy.

Recommended for ages 2+
